

Local Baker Wins Award For Cakes

A "gold cup" winner in the Annual Bakers Forum held recently at the Ambassador in Los Angeles was Nat Kalman of Bakemasters in the South Bay Center.

A joint effort of all bakeries and allied industries to promote better baked goods, the forum consisted of bakers from the Southern California area section of the organization.

Contests at which 10 gold cups were awarded in the top classes of baking are held as part of the group's activity.

Kalman's gold cup award came in the novelty cakes division in which he had submitted a "Rock and Roll" cake decorated by records and the names of hit tunes on the cake.

All parts of the contest cakes must be prepared by the competing baker, Kalman pointed out, and must be edible. The products are judged on texture, appearance, and its appeal as a food.

More than 3000 entries were received and judged in the 10 contest categories.

The win was not the first for the local baker—last year he won a silver cup for breads and a special award for coffee cakes the first time he entered.

WOMEN JOIN FORCES TO ELECT KIRKWOOD

Mrs. Solberg, who lives at 211 Avenue H in Redondo Beach, has named Gladys Urban as committee member from Torrance, and has selected other leaders in the 17th District to join her in the campaign.

Boys Have Spree in Bus Yard

Several juveniles who had a few lively moments in the school bus yard Monday afternoon were apprehended by juvenile officers of the Torrance Police Department and later returned to their parents.

Acting on a complaint by Supervisor John Mock of the school district, officers nabbed the boys after determining they had:

1. Released the brakes on one bus and let it roll into another.
2. Discharged a fire extinguisher inside a bus.
3. Made an unsuccessful attempt to start one of the buses.
